Draft Statement for NSC on Latin America

Mr. Mann of ARA was informed of the desire of the NSC to put out a policy paper on Latin America by the end of the year, and he requested me to restart activities by submitting to him a new draft of our paper on the area. I have reorganized that paper and amended it somewhat to meet criticisms that have seemed worthwhile and have today submitted the new paper to Mr. Mann.

A copy is attached hereto for your examination.

Attachment:

Copies 3 & 4 of Draft #4 of "Latin America and U.S. Policy".
